## FROM THE EAST

April 13, 2018

Brethren,

Thanks to all who attended our April Stated Communication. We had another great turn out with 51 members and guests attending. It was nice to have Greg Burton, of ESPN radio back again to bring us up to date on the state of Sports in America, and the Richmond area in general.

We will honor our members who served in Law Enforcement, both past and present, at our May meeting. I would like for each person that has served as a LEO, to please bring a picture of yourself while in uniform, to be displayed in the dining room prior to our dinner gathering. I think it would be fun to see how handsome and intimidating you all were back in the day. Not that you aren't now!

Our guest speaker for May will be Andrew Freiden, Chief Meteorologist for NBC12. I will be presenting Andrew with a Community Builders Award for his service to the greater Richmond area.

The young ladies of Richmond Assembly #10, Rainbow Girls, will be having a baked goods sale prior to our dinner. I'm sure that they will have plenty of goodies that will go well with the ice cream that our caterer will provide. Please continue to support these young women, as our Lodge is their main sponsor.

Brethren, continue to keep our ill and distressed, our widows, those less fortunate, and our military, in your daily thoughts and prayers. May God bless each of you and your families.

Sincerely and Fraternaly,  
Rick Kidd,  
Worshipful Master

### \* \* \* \* A SPECIAL NOTE FROM THE EAST \* \* \* \*

Brethren,

Our June Stated Meeting for this year has been designated "Bring A Friend Night". I know that's a couple of months away, but this could be one of the most significant meetings of the year and we need to be planning for it every day. Each of us probably knows at least one person that we think would make a good Mason. Invite that person to come to Lodge, share a meal and fellowship with us, learn something about our Craft, and what we as Masons believe in, and the comradery that we share. Hopefully that experience will generate enough interest on their part to want to petition our Lodge for membership.

Right now, we only have petition waiting for its second reading in Lodge. I have recently heard a Worshipful Masters of another Lodge say "we are initiating three Entered Apprentices next week!". What are they doing that we are not? Our Officers need new prospective members to keep their ritual skills sharp by working in the Three Degrees. The One Day Conferral can definitely add new members to our Lodge Roster, but we do not get the work needed to remain proficient.

Take a look around our Lodge Room at your next opportunity during one of our meetings. Look at the age of our current membership. It's my personal opinion that Masonry has a lot to offer a young man, let's promote ourselves and our great Fraternity. We need younger people to join our Lodges now more than ever before. As our Grand Master has stated, "We need to replace ourselves".

Sincerely and Fraternaly,  
Rick Kidd,  
Worshipful Master

**The Corps of Discovery**

Commissioned by President Thomas Jefferson, the expedition would explore 4,162 miles from the Missouri River, across the Louisiana Purchase to the Pacific Ocean.

Br. William Clark, born in Caroline County Virginia, grew up in pre-statehood Kentucky.

Br. Meriwether Lewis, born in Albemarle County Virginia, graduated from Liberty Hall (now Washington and Lee University), joined the Virginia militia, and was involved in putting down the Whiskey Rebellion, later joined the US Army. Appointed as an aide by President Jefferson, whom he knew personally through Virginia society. When Jefferson began to formulate and plan the expedition, he chose Br. Lewis to lead the expedition.

Jefferson’s primary goal was to find "the most direct and practicable water communication across this continent, for the purposes of commerce”, they also made notable contributions to science.

After returning from the expedition, Br. Lewis received a reward of 1,600 acres of land. In 1807, Jefferson appointed him governor of the Louisiana Territory. He and several friends petitioned the Grand Lodge of PA dispensation to establish a lodge in St. Louis, he was to serve as the first Master (Lodge No. 111, September 16, 1808). He died in 1809 on his journey to deliver his journals to a Washington publisher.

Br. Clark served in a militia and as governor of the Missouri Territory, he served as Superintendent of Indian Affairs, died in St. Louis in 1838, the funeral procession stretched for more than a mile, cannons fired a military salute, the entire city mourned his passing.
